

4 LED SAMSUNG MODULE

Samsung LED module with a 160° beam angle, ideal for backlighting.
Suitable for interior or exterior use.

power 2W

LED quantity 4

dimensions 40mm x 40mm x 5mm

IP rating IP67

colour temperature 2900 - 3100 K / 3900 - 4100 K / 6000 - 7000 K

lumen output 140 - 150 lm

luminous efficiency > 64 lm/w

beam angle 160°

LED type 5630 Samsung LED

PCB aluminium

housing ABS

voltage 12V

driver position outside

lifespan 50,000 hours

working temperature -40°C - +50°C
